## Building to remember Michael Durham.

Our brother-in-Christ, Michael Durham went home to be with the Lord in 2011, but his life is still impacting others. Orphanage Emmanuel, where Michael spent his later years, will be erecting a dorm to house small boys and will name the building in Michael's

honor. Two of Grace Point's members, Aimee Dietz and Sheila Rose, will be traveling to Honduras with a mission team from Red Bank Baptist to minister and pick up where Michael left off. As a nurse, Aimee will be serving in the medical clinic while Sheila is busy on

the "Bug Buster" team, ridding the children of lice and other unwanted pests, and cutting hair. With 600 kids living at the orphanage, much prayer is appreciated for the staff, volunteers, and our Grace Point sisters. Their trip will be from February 11-18.

AIMEE WITH THE KIDS!

MICHAEL DURHAM

MUCHAS GRACIAS, SHEILA!
